

# We are Waiting for Your Participation!

## @ KRIHS WORLD CAMPUS

Have you ever heard about Korea's remarkable economic success despite significant poverty since the war and its urban development experiences? If you want to better understand where the urban problems of Korea stem from and how to solve the issues, do not hesitate to participate in our tailored courses and activities at "KRIHS WORLD CAMPUS".

Not to mention international organizations and developing countries, Korea's urban development experiences is a great asset for developing countries in that it contains practical solutions accumulated through trial and error, and its knowledge of successes and failures to help take on urban development challenges and promote sustainable urban growth.

Join us at KRIHS WORLD CAMPUS! We are looking forward to give you insights into Korea's urban development experiences.
